

Design Night Out

Design Night Out is back just in time for the
Bridgeport Art Trail!

Join us for a truly URBAN evening at the new
mixed-use Harral Security Wheeler building on
Main Street.

Along with our compelling panel discussion, we'll
have an awesome performance by Oh, Cassius,
art installations, SASD student work, local merch
including Hartford Prints!, Dixie Doughnuts,
snacks, drinks and an after-party catered
by Urban Eats Culinary Program.
